As always, your orders are greatly appreciated.

Make a Joyful Noise!

As part of our 110th anniversary celebrations, the Worship Committee invites you to request your favourite hymn to be sung during worship, sometime in 2018.

In the hallway outside the sanctuary you will find a clear plastic container, pieces of paper and a pen. Please put your name and the name of your favourite hymn on the paper and place it inside the container. Thanks so much!

110th Anniversary Donations

Several weeks ago, the 110th Anniversary Committee asked all members to consider donating \$110 to the church as a special anniversary gift, over and above their normal givings.

I am extremely pleased to report that 16 people have done this so far. And I know that some others are saving their loonies and toonies to get to their \$110 donation.

Thank you very much to those who have already made their anniversary donation as well as to those who are saving up to do so at some point this year.
