## Breakfast Program Volunteers Needed

The St. James Men's Club operates the school breakfast program at Keith Wightman School five days a week. There is a very rewarding volunteer opportunity currently available on both Tuesday and Friday mornings. We are looking for two people who don't mind getting up a bit early one day a week to help serve breakfast to students. You would need to be at the school by 7:45 a.m. and would be finished about 9:10 a.m. We do provide free coffee! If you might be interested, please call Ron Horton (705 743 8904) for more information.

## Reconciliation Day - June 1st

Millennium Park will host approximately 500 school children on June 1st from 10 a.m. to 2 p.m. The remainder of the day from 2:00 to 8:00 will be focused more on adult participation. The Blanket Exercise, with its unique approach to history, will be one of the presentations highlighting Indigenous knowledge and experience – designed for youth in the morning, and for the general public in the afternoon.

This event is organized by LEAP Peterborough, with the support of Curve Lake and Trent Elders, Trent Indigenous faculty, and the Separate and Public School Boards among others.

## Food Bank Update

Did you know that Kawartha Food Share provides healthy snacks to student nutrition programs at 51 area schools? Through these breakfast and meal programs, we are helping to feed over 17,000 school-aged children every single day. Thank you for the 17 pounds of food that you donated to the Food Share this month.
