## Notices

Kawartha Food Share believes that its role is to coordinate community resources to provide emergency food in a way which maintains dignity for all and is accountable to the community. At Kawartha Food Share, we wish to thank the congregation at St. James United Church for its offering of 75 pounds of food as their Thanksgiving Caring and Sharing. Note: Monetary donations are always welcome and can be used to purchase food in bulk thereby allowing a purchasing power of \$6.00 to every \$1.00 of donations. As well, some members of SJUC are now purchasing gift cards which are going to be donated to the Food Share as well. You people are living your faith! Thank you.

The church received an offering on **September 9th and September 30th in envelope #53**. The envelope number is not in our system. Please contact the office if this was your envelope so we can make sure you get a receipt.
